Reference: ID No. C00196246, June, July, and August Monthly Reports

Dear Mr. Ryan,

We received three letters from the Federal Election Commission regarding information reported in our June (5/1/00 - 5/31/00), July (6/1/00 - 6/30/00), and August (7/1/00 - 7/31/00) Monthly Reports. Enclosed please find amendments to the three reports. Following is an explanation of the amendments:

**JUNE (covering period 5/1/00 - 5/31/00):**

1. The FEC identified contributions to Friends of Kent Conrad exceeding \$5,000. The check dated 5/25/00 for \$1,000 was voided and should not have been reported on Schedule B. Schedule B has been amended and does not include this check. Line 23 of the Detailed Summary Page has also been revised to reflect this voided check.
2. Schedule B reported a contribution to Jim Turner for Congress Comm. for the Primary Election on 3/14/00. This contribution should have been for the General Election and it will be redesignated in the amendment to July's Monthly Report.
3. Schedule B reported activity that fell outside the reporting period. We were trying to report a voided check and mistakenly reported the check date instead of the void date. The amended Schedule B reports the correct date.

**JULY (covering period 6/1/00 - 6/30/00):**

1. The FEC identified contributions to Friends of Kent Conrad exceeding \$5,000. The check dated 6/5/00 was for the General Election, not the Primary. Schedule B has been amended and lists this purpose. Contributions to this candidate for the General Election should fall within the \$5,000 limit.
2. Schedule B did not list the office sought for each contribution made. It has been amended accordingly.
